Join us for Winter Tennis

We are a little more than half way through the winter tennis season, but it's already time to sign up for the 2017-2018 WTCNCC Winter Tennis. The tennis clubs do not commit to fees or times this early, but they still require a deposit to secure the contracts. Below is what we THINK we will have for court times. The deposit amount is based on last year's fees, but it's obviously subject to change if the clubs increase their fees. Contracts fill up fast!

General Information: Winter contracts are all women's doubles. HIT 1, 2 3 and 4 contracts are filled by "teams" of 2-6 people. If your team has only 2 people then you will play every week. If you decide to have more than 2 players then obviously each player will play less, but the individual team will come up with their own schedule of who is playing on any given day. If you do not have a "team", let us know since there are often other groups that need additional players. The rest of the contracts are round robins (RR). You do not need a partner. Partnerships will be assigned on a rotating basis; however, you'll need to let us know if you want a full share, half share or quarter share. There is no guarantee on a specific amount of playing time. We cannot accommodate any special requests for time off due to vacations, cup teams, etc. The balance for the contact fee is due in June. Times and fees will be confirmed before then.

Club Membership Fees: HIT charges WTCNCC members a \$50 membership fee (subject to change). BRC charges a \$75 membership fee. The "average cost per play" is an estimate and reflects court costs only. **Club Membership fees are paid DIRECTLY to the tennis facility you play at. Ball contracts can be with the individual clubs.

Ratings: You must have a USTA rating or have played on a women's USTA team at or above the rating level for which you apply. For example, to play in a 4.0 contract, you must have a 4.0 rating or better or have played on a 4.0 team in 2016.

Registration: Your deposit check made payable to WTCNCC is due BEFORE FEBRUARY 22, 2015. The deposit amount is approximately 50% of the estimated cost for the season, depending on how frequently you play. Mail your application and deposit to the address indicated. Team Captains: please send **ONE DEPOSIT CHECK** plus the applications (with contact information) for all the players on your team. Keep in mind that more than **120 members** participate in the winter contracts and it is imperative that the registration form be filled out accurately. **Feel free to copy this year's roster if your "team" info is current & be sure to add a note to that effect.** Unfortunately, due to the high PayPal fees, we cannot accept winter tennis payments online at this time.

Membership to WTCNCC: Each participant is required to be a WTCNCC member. Membership costs \$25 per year and runs March 1st - February 28th. To pay your annual dues online, go to <http://wtcncc.org/join-us>

Thank you!
